PROJECT OVERVIEW

Lumen Grove

Cozy forest farming,
made for a calmer pace.

Restore a forgotten magical forest. Grow plants, decorate your grove and help its inhabitants bring light back to the Magic Oak.

GENRE **Cozy forest farming**	PLATFORM **Android**	STATUS **Released**

Restore & decorate

Grow magical plants

Seasonal activities

THE GAME & STUDIO

Plant, harvest and clear new areas. Everyday acts of care generate Light to help the Magic Oak grow.

POINTS.GS is an independent game studio behind Lumen Grove. **Bogdan Kagitin** is the game's developer.

PARTNERSHIP FOCUS

We welcome publishing and growth partners to help the released game reach and retain more players.

- Player acquisition
- Product analytics
- Retention
- Monetization
